Flip-up LCD Monitors

IDE's "Flip-up" Monitors provide:

- *Flat-fit* design hugs the desk or podium, resting at a height of only 3 inches
- *Thin-fit* design can be stored and locked in desk drawers and rack mounts
- *Full-view* – Judges can control visibility of the courtroom and the display
- *Variable-flip* can adjust to positions from 0 to 90 degrees
- *Easy-port* to other locations for quick use or secure storage
- *Single Cable* Solution ends messy cable clutter with built-in docking station
- *Data Select* Solution– choose data, composite video, s-video
- *Touch input* option and other options with no EXTRA development fees
- *"No Obligation"* DEMO policy

In addition to the **FLIP-UP MONITORS**, IDE offers both Standard & Custom Desktop and Open Frame LCD Monitor Solutions

- High Bright
- Touch Screens
- Ultra-low dimming for night
- NEMA Rated
- Ruggedized
- Flexible Mounting Systems
- EMI and vandal shields
